Who are Halsbury Sport?

We're the sports tours division of Halsbury Travel!

Founded by teachers for teachers

Halsbury Travel was originally founded in 1986 by a former French teacher. They'd seen first-hand the enormous educational benefit of school trips for students and wanted to make it easier for teachers to provide more young people with these exciting learning experiences.

Today, we still have many former teachers among us, and we believe that this helps us to fully understand the needs of teachers when arranging school trips.

Fully accredited

Our ABTA bond means that school trips booked with us are financially protected, and our flight packages are ATOL protected too.

In addition, we're an Assured Member of the School Travel Forum, which demonstrates our commitment to prioritising the health and safety of our groups.

Plus, we've been awarded the Learning Outside the Classroom Quality Badge, which reflects our commitment to offering activities that are safe and beneficial to learning.

Prioritise health and safety

As an Assured Member of the School Travel Forum, we have taken responsibility for creating and implementing our own thorough Safety Management System, ensuring all reasonable measures are taken to assure clients of a high level of safety on all our tours.

Specialist help and support

We have many former teachers among us, and we believe that this helps us to fully understand the needs of teachers when arranging school trips.

Our Sports Tour Specialists are able to provide expert insight into the fixtures, training and facilities available on any of our tours.

We'll support you every step of the way, from your first enquiry to the moment you return home. And, before you head off on your school sports tour, we'll provide you with 24/7 emergency contact numbers, so that you can contact us for support whenever you require it.
